

STUDENT MEMBERSHIP

Complimentary membership is available to any student enrolled in a State of New York Department of Health accredited school for funeral directing, after successful completion of the first quarter, semester, or trimester. Student members cannot hold office and cannot vote in association elections.

As a student member, you will receive:

- A quarterly digital newsletter
- Free or drastically reduced continuing education
- Free classified ad on the website (www.metfda.org)

The MetFDA also offers an academic scholarship. Visit www.metfda.org for more information.
