Met FDA Direct Dues Payment Authorization

We are pleased to offer you the option of paying your Metropolitan FDA dues by Direct Payment. If you choose, your dues can be automatically deducted from your checking or savings account in monthly installments.

Benefits of Direct Dues Payment:

- Saves time – fewer checks to write and mail
- Dues are paid in a convenient and timely manner – even when you're on vacation or out of town
- Payments are always on time – helps to maintain good credit
- Easy to sign up for and, if necessary, cancel

How Direct Dues Payment Plan Works:

You authorize a regularly scheduled payment to be made from your checking or savings account. Then, just sit back and relax. Your dues payment will be made automatically on or about the 15th of each month.

The authority you give to charge your account will remain in effect until you notify us in writing to terminate the authorization. If the amount of your payment changes, we will notify you at least 10 days before the payment date. The Direct Dues Payment Plan is dependable, convenient and easy.

Signing Up is Easy:

1. Select the type of account to indicate whether your payment will be deducted from your checking or savings account (below)
2. Fill in your name, financial institution name and location and date
3. Attach a voided check for verification of all financial institution information

NOTE: Any declined monthly payment will be charged a \$10.00 service fee. The Metropolitan FDA reserves the right to suspend a firm's ACH payment plan if there has been more than one declined payment. At that time, the remainder of the cost of dues would be due in one lump sum or membership will be revoked.

Direct Dues Payment Authorization Form (please print)

I acknowledge that the origination of ACH transactions to my account must comply with the provisions of U.S. law. This authority will remain in effect until I have canceled it in writing.
