Calverton assists the National Scheduling Center with interment requests

The National Cemetery Scheduling Office in Texas has been experiencing difficulties processing requests for interments for the National Cemeteries located throughout the United States.

The communication complications are, in part, a result of the devastation that has affected the area since hurricane Harvey in August 2017. Texas is not the only state that has incurred lasting problems, the storm has caused a swath of destruction extending from the Gulf Coast of Texas all the way through Louisiana.

To relieve the backlog of requests for burials in our area, Calverton National Cemetery has begun processing requests for subsequent interments at their cemetery directly with funeral directors. Because the veterans' eligibility has already been codified at the time of the initial burial at a VA cemetery, the Scheduling Office is allowing Calverton to accept requests for eligible interments directly, thus avoiding a call to the Texas office.

The attached letter from the Department of Veterans Affairs explains the situation. Please be certain to complete the attached form without leaving any spaces blank to avoid a delay in utilizing the system.

DEPARTMENT OF VETERANS AFFAIRS

Calverton National Cemetery 210 Princeton Boulevard Calverton, NY 11933-1031

February 5, 2018

Dear Funeral Director:

Recently, the National Cemetery Scheduling Office has been experiencing delays in receiving your incoming calls for eligibility determinations and to schedule interments. To support our funeral directors, effective February 6, 2018, our staff is available to help schedule subsequent, 2nd interment, services at Calverton National Cemetery on a temporary basis,

- 1. Our representatives are available to schedule interment from 9 a.m. 2 p.m. Monday to Friday at 631-727-5410.
- 2. We require the usual 48 hour notification on all subsequent interment requests in order to prepare that respective gravesite.
- 3. Attached is an Interment Application Worksheet to assist you in providing the required information necessary for our office to schedule the interment. Please Fax this sheet to Calverton at 631-369-4397, prior to your call.
- Please note that this is a temporary service which will resume with the National Scheduling Office.

Our mission at Calverton National Cemetery is to honor Veterans and their families with final resting places in national shrines and with lasting tributes that commemorate their service and sacrifice to our Nation.

Sincerely,

Michael G. Picerno

Executive Cemetery Director
